Match Drawn

In the event of a nil all draw, simply add '0' to your score and confirm the game was played – click Save.

Walkovers

If you have been awarded a walkover result for a match simply register the result as 20 points to you. 0 tries obviously. The team giving the walkover should not enter any result at all. This will then award the 'winning' team five league points and as the awarding side don't get to put in a score they are not awarded any points.

Scrum

If the scrums were uncontested then click on 'Match Details'.
